

## **Northampton Public Schools Late Start Plans**

### Additional Information on All plans

- ❖ All Plans are using student counts as of Feb 2020 ridership
- ❖ All bus calculations were done using 47 seats available per 77 per bus
- ❖ All vans calculations were done using 8 seats per van
- ❖ All Plans will be estimated using current rate PLUS 1.1% (the % the contract goes up each year)for Durham cost
- ❖ All Plans will use Vanpool rate for year 2021 per our contract rates
- ❖ All Plans used several items to calculate NPS, See spread sheet inclosed
- ❖ All cost does not include preschool , out of district transportation cost
- ❖ Late start may have an impact on out of district cost due to time changes and availability for vans
